

About Us

We are a non profit organization whose mission is to provide a stress-free, stigma-free atmosphere for people 18 and over who have experienced mental health issues.

We offer a place that provides acceptance, validation, empathy and empowerment for mental health consumers.

We offer a place that is relaxed and friendly where consumers gather to be at ease, meet basic needs and help one another move towards recovery.

Our visitors are encouraged to use our computers, art room, tv room, kitchenette and conference room.

Our recreation program activities are planned by our visitors.

We offer peer-lead support groups, computer training, art therapy groups, and other socialization and educational activities.

Lunch is provided each day at no cost to our visitors.

One word or a pleasing smile is often enough to raise up a saddened and wounded soul.

You need to be aware of what others are doing, applaud their efforts, acknowledge their successes, and encourage them in their pursuits.

When we all help one another, everybody wins.
